Dear Brad:

Pursuant to the Hearing Examiner's July 25, 2019 Order, the University encloses the following: (i) affidavit of the Registrar confirming that none of the individuals on Union Exhibit 25 were enrolled as undergraduate students at the University in the Spring 2019 term; (ii) employee records for those individuals the Union seeks to add to the showing of interest list (Union Exhibit 23) and individuals the Union seeks to remove from the showing of interest list (Union Exhibit 25), other than those whom the Union has identified as administrators or department chairs; and (iii) a chart showing whether the foregoing individuals were paid during each term between Summer 2016 and Spring 2019. Please note that the chart does not include compensation for student workers or academic appointments. The chart does include pay received as staff or for other non-faculty appointments.
