Defendant Name	First DEVLIN	Middle:	Last CLIFFORD

## AFFIDAVIT of PROBABLE CAUSE

1. WHEN:

- a) Date when Affiant received information:  
4/1/2020
- b) Date when the source of information (Police Officers, Informant, Victim, Co-Defendant, Defendant, etc.) received information:  
4/1/2020

2. HOW:

- a) How Affiant knows this particular person committed crime: (personal observation, defendant's admissions, etc.):  
On-going investigation done by Detectives. Observations by Detectives.
- b) How the source of information knows this particular person committed the crime:  
On-going investigation done by Detectives. Observations by Detectives
- c) How both Affiant and/or source of information knows that a particular crime has been committed:  
On-going investigation done by Detectives. Observations by Detectives.

3. WHAT CRIMES:

18 903 A1 CRIMINAL CONSPIRACY  
18 2501 A CRIMINAL HOMICIDE

4. WHERE CRIME(S) COMMITTED:

300 BLK MEYRAN AVENUE, PITTSBURGH PA 15213

5. WHY AFFIANT BELIEVES THE SOURCE OF INFORMATION:

- X Source is presumed reliable, i.e. other Police Officer, Eyewitness, Victim of Crime, etc
- Source has given information in the past which has led to arrest and/or conviction
- Defendant's reputation for criminal activity
- This source made declaration against his/her penal interest to the above offense
- Affiant and/or other Police Officers corroborated details of the information

# POLICE CRIMINAL COMPLAINT

Docket Number:	Date Filed:	OTN/LiveScan Number G 864116-1	Complaint/Incident Number 20062648
Defendant Name	First DEVLIN	Middle:	Last: CLIFFORD

Your affiant, Detective Jason R. Farrell is a sworn law enforcement officer of the Commonwealth of Pennsylvania within the meaning of Section 5702 of the Pennsylvania Crimes Code and, as such, am empowered to make arrests enumerated within that code. As a sworn Officers It is in my powers also to conduct investigations, obtain arrest warrants, and to obtain search warrants as needed Your affiant has 10+ years of experience and has been with the Pittsburgh Bureau of Police since September 28, 2009. Since January of 2017, your affiant has worked as a Detective in the Major Crimes Division of the Pittsburgh Bureau of Police. As of April of 2018 your affiant has been assigned to the Violent Crime Unit, Homicide Squad. Prior to transferring to Major Crimes your affiant worked for a year in a plain clothes narcotics assignment in Zone 6 of Pittsburgh Bureau of Police. Through the course of my employment with the Pittsburgh Bureau of Police, I have attended numerous trainings on such topics as, narcotics use and sales, homicide/death investigation, robbery investigation, gang related homicide and robbery investigations, and others. I have in my experience investigated or assisted in multiple Homicide cases, Aggravated Assault cases, Narcotics cases, Firearms Offenses, and Robbery cases.

All facts written concerning this case are either known personally to me or were learned through investigation by other Detectives up to the time of my writing.

The Pittsburgh Bureau of Police Homicide Unit is currently investigating the shooting that occurred in the 300 Block of Meyran Avenue in the Oakland Neighborhood. During this shooting one male, identified positively as, Esam Hossain, suffered a gunshot wound to the head. Hossain was taken to UPMC Presbyterian where he was pronounced deceased at 0105 hours by Dr. Nabozny. On 4/1/20 Detective Pugh attended the Post-Mortem examination of Esam Hossain, at the Allegheny County Medical Examiner's Office. Dr. Shakir was the attending pathologist conducting the examination. Dr. Shakir ruled that Hossain died as a result of a gunshot wound to the head and that the manner of death is a homicide.

Based on the following facts and circumstances, your affiant asserts that probable cause exists to warrant the arrest of Devlin Clifford JR for the charges of Criminal Homicide and Conspiracy.

On 04/01/2020, several Zone 4 Officers responded to the 300 block of Meyran Avenue for Shot Spotter notifications that came in at 00:33:29 hours at 326 Meyran Avenue for four gunshots fired and at 00:33:32 hours at 338 Meyran Avenue for four additional gunshots fired.

Shot Spotter is an advanced system of sensors, algorithms and artificial intelligence to detect, locate and alert police to gunfire. If at least three sensors detect a pulse that is believed to be a gunshot, the sensor then sends a small data packet to cloud servers where multi-lateration is used based on time difference of arrival and angle of arrival of the sound to determine a precise location. (Information retrieved from <https://www.shotspotter.com/technology/>).

Zone 4 Officer Hubert arrived on scene and observed the victim, later identified as Esam Hossain, lying in the fetal position with a single gunshot wound to the left temple, along with a large pool of blood. There was a silver and black Ruger pistol located in close proximity to the victim.

Detective Leonard Duncan responded to the scene along with Crime Unit Detectives Moffatt and Klaczak. A crime scene was allocated that spanned from the area of 335 Meyran Avenue to 347 Meyran Avenue. All evidence was photographed, documented, and collected. The evidence located was the following.

Exhibit 1: FC 9mm Luger shell casing

Exhibit 2: WIN 9mm Luger shell casing

Exhibit 3: SIG 9mm Luger shell casing

# POLICE CRIMINAL COMPLAINT

Docket Number:	Date Filed:	OTN/LiveScan Number G 864116-1	Complaint/Incident Number 20062648
Defendant Name	First: DEVLIN	Middle:	Last: CLIFFORD

Exhibit 4: SIG 9mm Luger shell casing

Exhibit 5: AMMO Inc. SW 40 caliber shell casing

Exhibit 6: Fed SW 40 caliber shell casing

Exhibit 7: Fed SW 40 caliber shell casing

Exhibit 8: Fed SW 40 caliber shell casing

Exhibit 9: Fed SW 40 caliber shell casing

Exhibit 10: "Ruger Prescott AZ" .380 caliber, Model LCP II, Serial# 380099264, black in color, (1) live "Barnes" .380 auto round in chamber, (5) live "Barnes" .380 auto rounds in magazine removed from Exhibit 10

Exhibit A: Baseball cap, black in color

Exhibit B: Cellphone, black and silver in color

Exhibit C: Set of keys

Exhibit D: Cluster of various identification cards

Exhibit E: Pair of clear eye glasses

Detectives noted that the .40 shell casings were located on the sidewalk and the 9mm luger casings were located in the middle of the street. Detectives asserted that there were at least two shooters.

Through the course of investigation, your affiants located multiple witnesses. These witness' true identity has been ascertained by proof positive means by social security number and OLN. These known but unnamed witnesses will be available for all court proceedings and have been memorialized in Police reports. These witnesses' true identities are being withheld both to ensure their safety and to preserve the integrity of this ongoing investigation. For purposes of this affidavit, we will utilize information received from two of these witnesses. The witnesses shall be referred to as Witness #1 and Witness #2

On 4/1/20 at 0112 hours, Detective Hinojosa interviewed Witness#1. Witness#1 stated that he/she heard approximately "seven" popping sounds outside his/her significant others home which is located in the 300 Block of Meyran Avenue. Witness#1 stated that he/she grew up near a gun range and knew the sounds to be gunshots. He/She went to the front window of the apartment (faces Meyran) and saw a newer white 4 door sedan with the engine running, across the street. Witness#1 stated that he/she thought the vehicle to be a newer model due to LED headlights. Witness#1 stated that he/she looked to the area where they heard the gunshots. He/She described this direction as up Meyran towards Forbes. Witness#1 saw three males running from that direction towards the white sedan. Witness#1 stated two of these men got into the white sedan which then drove off turning right onto Bates St. Witness#1 believed the white sedan was already occupied by a driver when this occurred due to the vehicle leaving so quickly after the two males entered it. Witness#1 described the two males as possibly one white or lighter skinned male and one black male. Witness#1 stated the white/light skin male appeared to be wearing a black sweatshirt or shirt and as he ran down Meyran Ave, he appeared to be making a shoving motion into his pocket. Witness#1 stated he/she was unsure of what

# POLICE CRIMINAL COMPLAINT

Docket Number:	Date Filed:	OTN/LiveScan Number G 864116-1	Complaint/Incident Number 20062648
Defendant Name	First: DEVLIN	Middle:	Last: CLIFFORD

the male was possibly shoving into his pocket.

Witness#1 described the other male who did not get into the white vehicle, as a black male dressed in a dark grey hooded sweatshirt possibly made of "athletic" material. Witness#1 stated this male pulled the hood over his head and continued walking across Bates St in a casual manner. Witness#1 stated this male pulled what appeared to be a cell phone out of his pocket and put it up to his ear and he continued walking down Bates St. Witness#1 stated this male appeared to be trying to "play something off" in case someone showed up. Witness#1 stated as this male got to the intersection of Meyran Ave and Bates St, he looked back down Meyran Ave. and that the male appeared to observe something on Meyran Ave which then caused him to take off in a sprint down Bates St.

Witness#2 was interviewed on 4/1/20 at approximately 0204 hours. Witness#2 stated he/she was at home at their apartment in the 300 Block of Meyran Avenue. Witness#2 was watching television with roommates when he/she heard a loud bang. He/she stated that he/she looked out the window and saw someone ducked behind a red car and firing a gun. Witness#2 immediately backed away from the window and told his roommates to get down because there was a shooter outside. He/She stated that his/her apartment is in the front of the building. Witness#2 further stated that he/she heard about 5 shots.

Witness#2 described the male shooter around 6 feet tall, race unknown with all dark clothes to include a hoodie (hood on head). Witness#2 stated that the shooter appeared to know which direction the victim was, based on the direction that Witness#2 witnessed the gun pointed. He/She confirmed this after seeing the victim down on the ground.

Witness#2 also stated that the shooter was almost right in front of his/her house, and shooting to the right towards the lower addresses on his street. He/she further stated that the shooter appeared to have run towards Bates Street after the shooting.

Violent Crime Unit Detectives Fallert and Kertis, along with Computer Crimes Unit Detective Tracy are familiar with the area of the homicide from previous investigations. In addition, they are aware that the University of Pittsburgh Police Department has access to several surveillance cameras near the scene of the homicide of Esam Hossain. Your affiant asked their assistance in locating further evidence and video surveillance.

Detective Fallert viewed city camera footage from the area of the shooting and observed a 4 four door white sedan with a sunroof driving away from the location where the shooting occurred.

Detective Tracy contacted University of Pittsburgh Police Detective Sergeant Patrick Laughlin, requesting assistance with this investigation.

Detective Laughlin notified Detective Tracy that he viewed multiple surveillance cameras around the scene that showed the suspect vehicle. Detectives were able to identify the white sedan as being a Lincoln MKZ. Detective Laughlin stated at camera time 00 33 48 a camera located at Bates and Atood Street captures the white Lincoln stop near the intersection of Meyran at Bates Street Shortly after three individuals approach the vehicle. The first individual passes the vehicle and continues on foot across Bates Street The other two individuals run and jump into the rear driver side door of the Lincoln. The driver of the vehicle then turns right onto Bates Street.

The third individual who fled on foot was captured on a privately owned Nest security camera and was observed talking on his cellular telephone. He was wearing a gray hooded sweatshirt with darker gray sweatpants that had a red stripe.

Detectives located a home in the 300 Block of Meyran Avenue in between where the shooting occurs and where the getaway vehicle is idling. This camera footage shows a newer white Lincoln MKZ with sunroof drive down Meyran Avenue towards Bates. A few seconds later the victim, Esam Hossain, can be seen running down the sidewalk (towards Forbes) with two males chasing

# POLICE CRIMINAL COMPLAINT

Docket Number:	Date Filed:	OTN/LiveScan Number G 864116-1	Complaint/Incident Number 20062648
Defendant Name	First DEVLIN	Middle:	Last: CLIFFORD

him. One male is on the sidewalk directly behind Hossain and the other male is running in the middle of the street. The male's clothing description is consistent with Witness statements as the males fleeing the shooting and is also consistent with what detectives observed in video surveillance prior to and while fleeing the scene of the shooting. Hossain runs just out of view of the camera, but the shooters remain in the frame, and can be seen firing a firearm in the direction of Hossain. Seconds later the males that were chasing Hossain run back in the opposite way (back towards Bates) back to where witnesses stated the white sedan is idling. On the previously mentioned camera at Bates and Atwood, you see the males enter the white Lincoln and one male continue on foot.

Detectives were able to follow the vehicle on various surveillance cameras prior to and after the time of the incident, which showed that the vehicle traveled inbound on Carson Street at approximately 23:27:00 hours on 03/31/2020. The vehicle made a right onto the Hot Metal Street Bridge and is observed at the top of Bates Street at approximately 23.31.00 hours. During this time frame, there was very little vehicular traffic.

It should be noted that this occurred during the Coronavirus pandemic, when non-essential businesses were ordered to close and a stay at home order was issued by Pennsylvania Governor Tom Wolf. This stay at home order was issued on 03/23/2020 for Allegheny County and has since been extended to 04/30/2020.

The vehicle made a left turn onto the Boulevard of the Allies and a then a right turn onto Halket Street. The vehicle then parked in the Panera Parking Lot (located at 3401 Boulevard of the Allies). The vehicle was captured on surveillance camera footage, parked in the aforementioned lot for approximately 8 minutes. During this time the Lincoln drives slowly through the parking lot. At this time at least 3 individuals can be seen inside the vehicle.

The vehicle was also observed on Dawson Street, turning left onto Bates Street. The vehicle was passing Oakland Avenue when a marked University of Police Vehicle (Unit 1264) approached Bates from Oakland Ave. The Lincoln immediately pulls into a parking spot on Bates near Atwood St at 23:42:15. Two individuals emerge from the vehicle. One from the front passenger door and one from the rear passenger door. The individuals begin to run on Bates toward Oakland Avenue on foot. The individuals make a left turn onto Oakland Avenue and then out of camera view. The vehicle remains parked in the spot and the driver eventually turns the car around so the front faces Bates Street. At 23:47:11 the two individuals reappear from Oakland Avenue and get back into the Lincoln. One gets in the front passenger seat and the other in the rear passenger seat. The vehicle then pulls away and circles the block several times.

Detectives follow the vehicle on surveillance after the shooting occurs. After turning onto Bates Street it approaches Zulema Street where it makes a U-turn in the middle of Bates. The Lincoln turns right onto Zulema Street toward Ward Street. The vehicle crosses over Blvd of Allies on Wards Street at 00:35:03. The Lincoln then can be seen on camera on Frazier St driving adjacent to Dan Marino Field at 00:36:10. The vehicle then pulls into a driveway on Frazier and makes a three point turn, turning the vehicle around on Frazier. The vehicle then makes a right turn onto Dawson Street. The next point where the Lincoln is captured on camera is at the intersection of Second Avenue and Hazelwood Avenue at 00:40:05. The Lincoln continues to travel on Second Avenue and passes a city owned License Plate Reader. Detective Tracy obtained the registration plate which was determined to be Pennsylvania registration KZR-0808.

Then, at 0208 hours, aforementioned white Lincoln MKZ was captured on a surveillance camera plate reader in Clairton, PA, specifically at the intersection of Miller and Saint Clair Avenues.

After identifying the registration plate on the white Lincoln MKZ, Detective Tracy ran the plate through Index. It was determined that that the vehicle was registered to Devlin Clifford of 364 Mitchell Street, Clairton PA 15025. This location is within blocks of

# POLICE CRIMINAL COMPLAINT

Docket Number:	Date Filed:	OTN/LiveScan Number G 864116-1	Complaint/Incident Number 20062648
Defendant Name	First DEVLIN	Middle:	Last CLIFFORD

where the vehicle was captured on the surveillance camera at Miller and Saint Clair Avenues.

Detectives Kertis and Fallert traveled to Clairton and located the white Lincoln MKZ. It was parked across the street and down from the aforementioned 364 Mitchell Street, where the vehicle is registered to.

Clairton Police were notified and requested to assist with surveillance on the vehicle. Prior to Clairton Police arrival, Detectives observed a male exit 364 Mitchell Street and cross the street toward the aforementioned vehicle. The male appeared to possibly be the same one captured on surveillance cameras driving the vehicle at the time of the shooting.

While on Mitchell Avenue, Detectives awaited the arrival of a marked Clairton Police Unit. Upon arrival, police approached the male, who was later identified as Devlin Clifford Jr. Clifford was holding a cut open cigar wrapper when Detectives Kertis and Fallert pulled up next to him. Detectives Kertis and Fallert observed him quickly move hands down to his lap area and lift off his seat as he was attempting to conceal something. Clifford admitted to rolling a blunt and said that he the marijuana was gone. Clifford was also in possession of a cell phone at that time, which he placed on the front passenger seat as he got out.

Clifford was detained and placed into a marked Clairton Police Vehicle. Clifford requested several times that detectives knock at the door to his residence and inform his family that he was being arrested. Det. Fallert informed Clifford that he was not being arrested, but he was being detained. Clifford repeatedly asked why, to which Detective Fallert responded this was investigation of a crime that occurred in Pittsburgh. Clifford looked at Det. Fallert's rain jacket, which had a badge logo with the homicide division insignia. Clifford then stated "homicide, I didn't kill anyone". Detective Fallert informed Clifford that they were investigating a homicide that occurred early that morning in Oakland. Clifford then stated, "I didn't shoot anyone. I was here all night and was not even in Oakland."

Members from Clifford's family to include his grandmother and a male, who identified himself as Clifford's uncle arrived on scene and were demanding to know what was going on and why Clifford was being detained. Neither of these individuals came from out of the residence. Two other individuals also pulled up and asked what was going on, to which one of these individuals began filming the encounter. At this time Detectives Kertis and Fallert did not yet have enough backup units on scene, as they were requesting additional units to assist in securing the house. In addition, Detectives were also attempting to secure the vehicle and prevent anyone from touching or tampering with the vehicle.

While detectives were still on scene, it began to rain. Based on training and experience, detectives know that evidence; such as DNA, blood, trace, and/or fingerprint, could be easily be lost/destroyed/jeopardized by the precipitation. Detective Fallert contacted index and requested a tow be immediately sent to the aforementioned location, in order to tow the vehicle to a secure and dry location. In addition, detectives are aware that with the global pandemic of CO-VID 19, additional steps were required to obtain a search warrant, making the process cumbersome. Non-essential businesses were shut down at this time, while many individuals are working from home, to include the Judges that are signing/issuing/granting search warrants in order to prevent exposure to novel disease. This delay could have also permitted the adverse weather conditions to cause further destruction of the evidence that could potentially be located on the exterior of this vehicle.

After additional Clairton Units arrived on scene, Clairton Detective Matthew McDanel, along with Detective Fallert transported Clifford back to Clairton Police Station. Detective Fallert conducted a search of Clifford prior to placing him in holding cell, as is policy of the Pittsburgh Bureau of Police, in order to ensure the safety of officers and the individual being placed in the holding cell. During the search, Detective Fallert recovered a zip loc baggie from the front of Clifford's pants, which contained a substance that Detective Fallert immediately recognized as marijuana, based on his years of training and experience in the Narcotics Unit.

As for the cell phone that Clifford possessed on the date that he was detained, Detective Brust recovered the cell phone, and

**POLICE CRIMINAL COMPLAINT**

Docket Number:	Date Filed:	OTN/LiveScan Number G 864116-1	Complaint/Incident Number 20062648
Defendant Name	First DEVLIN	Middle:	Last CLIFFORD

identified it as a black Apple iPhone XS with a clear case, from the front passenger seat of the Lincoln and turned it over to Computer Crimes Detective Tracy, in order to secure the device by placing it in a Faraday box. A faraday box functions as a shield. Placing devices; such as cell phones, GPS, laptops or tablets; inside the box, they are unable to receive or transmit potentially disruptive radio frequency signals. The box will block cell signals, Wi-Fi, satellite, and Bluetooth frequencies.

A search warrant for that cell phone was granted. The contents of Clifford's phone were downloaded by Detective Tracy. Upon its completion, Detective Tracy and I, Det. Farrell reviewed the search content of Clifford's phone. Directly after the shooting this content shows that Clifford is located on Frazier Street near Dan Marino field in Oakland at approximately 00 36 00 hours. At this time Clifford's phone shows a Journey was initiated from Frazier Street to his residence in Clairton PA (364 Mitchell Street). This information corresponds with the city camera footage on Frazier Street, where the Lincoln can be seen at 00 38 10.

Detectives Kertis and Fallert observed Devlin Clifford JR. seated in the front driver's seat of the Lincoln. They also observed the video surveillance video recorded from the Panera Bread parking lot and were both positively able to identify Devlin Clifford JR. as the driver of the vehicle on the morning of the murder. Coupled with the additional data recovered from Devlin Clifford JR's cellular telephone and the surveillance footage showing the vehicle Clifford JR. was operating circling the block near the victim's residence several times before the unknown actors run from the vehicle and chase the victim down on foot. These yet unidentified males then shoot and kill the victim and then run back to the white Lincoln MKZ that is parked within sight of the scene of the murder. They then enter the rear seat of the Lincoln MKZ, where Clifford JR. is waiting. Clifford JR. then drives them away from the scene.

Based on these facts your affiant avers that probable cause exists to charge Devlin Clifford JR with Homicide and Conspiracy to Commit Homicide in the death of Esam Hossain.

I, **JASON FARRELL**, BEING DULY SWORN ACCORDING TO THE LAW, DEPOSE AND SAY THAT THE FACTS SET FORTH IN THE FOREGOING AFFIDAVIT ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE, INFORMATION AND BELIEF.

I CERTIFY THAT THIS FILING COMPLIES WITH THE PROVISIONS OF THE CASE RECORDS PUBLIC ACCESS POLICY OF THE UNIFIED JUDICIAL SYSTEM OF PENNSYLVANIA THAT REQUIRE FILING CONFIDENTIAL INFORMATION AND DOCUMENTS DIFFERENTLY THAN NON-CONFIDENTIAL INFORMATION AND DOCUMENTS.
