

Duquesne University

Pittsburgh, Pennsylvania

It's Time for Bigger Goals.

And we're ready with 90 future-focused graduate programs, research opportunities in all disciplines, and individualized experiential learning.

Invest in one of our graduate degree or professional certificate programs:

- Business
- Education
- Health Sciences
- Law
- Liberal Arts
- Music
- Natural and Environmental Sciences
- Nursing
- Pharmacy
- Pre-Medical and Health Professions

Day, evening and online courses are available, depending on the program. Visit duq.edu/graduate for a complete list of programs.

At Duquesne, you will obtain a first-rate education, an experience that cultivates close relationships with professors and allows you to participate in vital research projects and career-enhancing internships. You'll learn from – and network with – a group of highly motivated peers from around the world. And when you graduate, you will become one of our more than 100,000 alumni who are making their mark across the globe.

U.S. News & World Report and The Princeton Review have consistently ranked Duquesne among the top national universities. Individual graduate programs have also earned top national rankings in the latest U.S. News surveys, including programs in the schools of Law, Nursing, Education and Business. Visit duq.edu/rankings for more information.

Student research opportunities

Nearly every graduate student at Duquesne becomes engaged in research and academic discovery, with important research and scholarship taking place in all of our schools. All students are invited to participate in the annual Graduate Research Symposium. Nationwide, Duquesne is one of the 35 universities classified as a doctoral university/higher research activity institution by the Carnegie Foundation for the Advancement of Teaching. Visit duq.edu/research for more information.

Graduate students have access to a number of resources and services, including:

- Center for Teaching Excellence
- Commuter Center
- Graduate and Professional Student Council
- Graduate resources and assistance at Gumburg Library
- Center for Excellence in Diversity and Student Inclusion
- Career Development Center
- Office of Research—Graduate Student Research Symposium
- State-of-the-art exercise and recreational facilities in the Power Center
